TE PĀ HARAKEKE

MĀMĀ & PĒPI SERVICES

# ABOUT US

Taurima te Pā Harakeke is a service for hapū māmā and whānau to receive support from a trained coordinator during their pregnancy with education, access to maternity services and hapū māmā programs.

The Pā service is an integrated, community-based, programme of support based around a traditional Māori Pā. The Pā concept is a village of services and skilled practitioners who can support whānau from conception to 5 years old (first 2000 days).

# OUR SERVICES

- Early Intervention Maternity Care
- Nursing support – Immunizations, cervical screening, long terms conditions
- Whanau advocacy and navigating support
- Work with whanau to achieve their goals and aspirations
- Education and support with safe sleeping, breast feeding, brief smoking advice, car seat safety
- Rongooa Maaori/Mirimiri

# YOUR JOURNEY

The service will include care coordination over the entire 2000 days, maternity, and parenting support, and in-depth whanau care planning and navigation. No matter the stage, access our services from your whanau for children up to 5 years of age.
